

Project POOCH

Paving the Way to a Brighter Future

Buy your paver in the Project POOCH Meditation Garden

Make a difference in the lives of incarcerated youths and shelter dogs

Help Project POOCH to provide opportunities for youths in corrections to learn patience, responsibility and compassion for all life through working with dogs.

The pathway to the new meditation garden at Project POOCH will be lined with pavers etched with personal messages from friends and supporters like you, who see the good that comes from bringing together sometimes forgotten young men and often overlooked shelter dogs.

For a gift of \$100, your 4" x 8" paver will be inscribed and displayed at Project POOCH for years to come. Remember a loved one or beloved pet. Honor a friend or family member. Send words of support and encouragement to the young men at Project POOCH.
